Description

Price: AUD $295,000

The ELAN E4 ‘Escapade’ is now exclusively listed for sale with the team at YOTI on Lake Macquarie and will suit a sailor who is seeking a 2024 model yacht at a substantially lower price than replacement cost.

The Elan E4 is a 34-foot 9-inch performance-cruising sailboat designed by Humphreys Yacht Design and built by Elan Yachts. It is engineered to bridge the gap between offshore-inspired racing capability and comfortable family coastal cruising.

Built using vacuum-infused composite construction (VAIL / 3D VAIL) with an integrated structural grid for high rigidity and reduced weight.

The Hull features a broad, powerful stern, hard chines, and a low coach roof. The chined hull reduces wetted surface area when heeled while improving form stability.

Twin rudders paired with Jefa twin-wheel steering provide light, responsive helm control and high-angle grip.

With a keel-stepped mast, fractional sloop rig, German-style mainsheet system, inboard genoa leads, and a retractable carbon-fibre bowsprit for asymmetric spinnakers and gennakers.

This 2-cabin version features an L-shaped galley (equipped with a stove, oven, top-loading fridge, and dual sink), a foldable dining table seating six, and natural oak joinery throughout.

Typically includes one bathroom/head unit with a marine toilet and integrated shower/wet locker.

Escapadehas just recently had an antifoul, leg service and hull polish and is presenting in as new condition.

Contact Stuart Broom to inspect this vessel at Newcastle CYC.

Features

Designer	Humphrey Design
Builder	Elan Yachts
Water (Potable) Capacity (l)	185
Hull Construction Material	GRP Infused
