## Description

\*\* NOW SOLD -[CLICK TO VIEW SIMILAR LISTINGS](#)\*\*

'Lost Horizon' is a 2007 Archambault 32 Grand Surprise listed exclusively for sale with YOTI on Sydney Harbour.

Hailing from the world-renowned French shipyard, Archambault yachts are optimised for IRC rules, delivering a proven track record in both offshore and inland regattas. The Grand Surprise 32 was conceived with a singular, dual-purpose mission: to be fast yet functional.

'Lost Horizon' embodies this philosophy perfectly. Offered in true turnkey condition, she invites her new owner to simply step on board and cast off. Her maintenance history is exemplary, featuring new standing rigging and Scott Sails aramid main in 2024, a Volvo Penta 13hp engine installed in 2018 (with comprehensive service in late 2025), and fresh antifoul in December 2025.

On deck, the open cockpit--complemented by a deck-mounted traveller and tiller steering--creates a seamless workspace for racing or an expansive lounging area for weekend escapes. Her powerful sail plan is tempered by easy handling, featuring a deep keel, single backstay and a retractable carbon bowsprit for effortless asymmetric downwind thrills. For the ultra-competitive sailor, an aluminium spinnaker pole is included to fly symmetrical kites.

Below deck, the interior is simple yet functional. She provides comfortable accommodation for four, including a forward berth with a privacy screen and a chemical toilet under the fill-in. The salon features a small nav station and a galley area ready to be tailored for longer voyages.

'Lost Horizon' is the purest expression of sailing: fast, fun, and remarkably easy. She is a perfect option for someone looking for a competitive racer, with a comfortable enough interior for weekends away. For those wanting to optimise her for high-end racing, she provides a perfect base platform on which to build on.

Contact Luke at YOTI for further details and to arrange an inspection.
