Description

Price Now Reduced: AUD \$469,000

Built in 2022 by Axopar, this 37 Sun Top is now for sale with YOTI. Professionally maintained and designed with careful specification for comfortable, stylish day boating with occasional overnight stays.

Ordered with the innovative Mediterrana package featuring durable Silvertex outdoor upholstery, this 37ST is the ultimate dayboat. The Mediterrana package features adjustable seating, creating more comfortable lounging and dining areas, with additional cushions on the gullwing doors and aft lockers, providing extra relaxation areas on deck. Her forward deck has a very comfortable seating area with drink holders.

In addition to the Mediterrana pack, this 37ST was specified as the very practical aft cabin version. Under her massive daybed aft is a good-sized double bed for overnight accommodation or additional storage for watersport equipment. Her forward cabin also contains another large V-berth with optional gullwing doors for alfresco living. A good sized head compartment with an electric freshwater flush toilet was also an option. Hot water through a cockpit shower was another box ticked when the boat was ordered.

Her navigation instrumentation and entertainment systems are incredible. Both of her SIMRAD plotters sit behind glass panels and her stereo, which connects to the screens, has 8 speakers, an amplifier and a subwoofer.

Please call Tim Vine to discuss this ultra stylish, practical, extremely well maintained and specified Axopar 37 Sun Top berthed in Sydney Harbour.
