Description

**** NOW SOLD -[CLICK TO VIEW SIMILAR LISTINGS](#)****

'Kairos' is a 2006 Bavaria 39 listed exclusively for sale with YOTI on Pittwater.

This Bavaria 39 is a fantastic all-rounder that immediately feels solid, comfortable and easy to live with. Stepping aboard, you get that classic Bavaria warmth: bright timber finishes, an inviting saloon and a genuinely impressive sense of space. The popular three-cabin layout offers plenty of room for friends or family, with the flexibility to convert one cabin into a dedicated storage or workspace if preferred.

Under sail, Kairos is set up for uncomplicated, enjoyable cruising with a fully battened slab reefed mainsail and a brand-new (2025) Rolly Tasker roller-furling genoa, plus an asymmetrical running gennakers with snuffer socks. Standing rigging was replaced in 2019.

The single-wheel helm keeps everything simple and manageable. Bavaria's robust push-rod steering system delivers a direct, positive helm feel with very little to go wrong - a design valued by cruisers for its strength and reliability. The cockpit is well protected by a 2020 dodger, bimini and side clears, complemented by cockpit cushions, good seating and excellent visibility forward.

The Volvo D2-55 (approx. 1,800 hours) has been professionally and consistently serviced, including a full engine and saildrive service in October 2024. The saildrive is paired with a three-blade folding prop, and engine access is excellent from multiple sides. The fuel tank features an updated sender and gauge. Antifoul, Propspeed and a topsides polish were also completed in October 2024.

Electronics include a B&G Zeus 2 chartplotter, Raymarine ST60 Tridata, B&G autopilot (2016), B&G VHF and AIS. The upgraded electrical system features a 200Ah lithium house battery, Bluetooth battery monitoring and a solar panel mounted on the bimini.

Overall, Kairos feels like the ideal size for simple, enjoyable sailing - manageable for a couple yet comfortable for extended cruising. It's the sort of yacht you can easily "jump on and go", perfect for exploring Pittwater, weekends offshore or cruising up the East Coast. For those feeling more adventurous, the Bavaria 39 is CE Category A rated for offshore conditions and is well suited to international passagemaking.

Well cared-for, clean and upgraded where it counts, she stands out as a smart, ready-to-sail 39-footer. Contact Ross Price for more details and to arrange inspection.
