Price	\$197,500	Boat Brand	Beneteau
Model	50	Length	15.47
Year	1998	Category	Yacht and Sail Boats
Hull Style	Single	Hull Type	GRP
Power Type	Sail	Stock Number	Shelby
Condition	Used	State	Queensland
Suburb	RUNAWAY BAY	Engine Make	Volvo Penta Model - TMD22-B.

Description

Shelby is a sought after Stars and Stripes, Blue hulled 1998 Beneteau 50 that is now listed exclusively for sale with the team at YOTI on the Gold Coast.

The Beneteau 50 combines a Bruce Farr designed hull with a tried and tested layout, proven over thousands of miles. Her fast hull has balanced lines for directional control and is easily driven by her in- mast furling mainsail and furling genoa, great for shorthanded sailing.

Her current owner upgraded her in 2018 for his dream cruise to the Far East and back to the Gold Coast. These upgrades include new Stainless Steel rigging, Staysail, 6 pax Life raft, Highfield rib with outboard, Dometic 16,000 BTU Air Conditioning (saloon and owners' cabin) and saloon upholstery.

Disclaimer

Our company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents and/or surveyors to investigate such details buyer desires validated. This vessel is offered subject to prior sale, price change or withdrawal without notice.

Additionally, upgrades in 2019 include a new Mainsail, Genoa, Lithium batteries, and upgrade of electrical charging system.

On deck, the very generous cockpit is well shaded, safe and great for entertainment. The twin wheels make for easy access from the bathing platform to the cockpit and interior. Her mainsheet traveller is forward of the cockpit, out of harm's way and her electric winches make for easy sail handling, all from the safety of the cockpit.

Storage for all cruising gear is plenty full, thanks also to the very large forward sail locker.

Her owner's version features a well appointed master cabin forward, with double berth to port and sofa and vanity to starboard. The head and shower are two separate compartments, each entered from the cabin or via interconnecting door. Both aft cabins offer substantial double berths with own ensuite head with shower. (The port aft cabin is used for additional storage and the head features a small washing machine instead of the WC, which can easily be reinstated.)

The Beneteau 50 features a substantial saloon and open plan galley, with central island that serves as additional galley worktop and storage as well as part of the seating arrangement. Cooking is on the gimballed Force 10 gas hob and oven and perishables stored in the substantial freezer and fridge.

Aft of the galley is the dedicated navigation area with electrical panel; the stereo, VHF and HF radio mounted on the opposite side, at the rear end of the settee.

This vessel is fully equipped for world cruising, in comfort and safety. Raymarine instrumentation, including radar, AIS and Axiom plotters at each helm, Ipad with Raymarine instrument integration and Icom HF radio. She has a 6.5 kw Fisher Panda generator for charging and airconditioning, 110v and 240v inverters, isolation transformer, bow thruster and very large fuel and water tanks.

Shelby has just been slipped (Feb '20) at the Boatworks, Gold Coast Marine Precinct for new antifouling, hull polish and prop speed. Her mast was lifted out to install a new mainsail furling mandrel and service of the internal furling components.

This is a great opportunity to obtain a very realistically priced, pedigree Bluewater cruiser, from the Beneteau yard, with fabulous recent upgrades and maintenance already done.

Contact Robert Vrind of Yoti QLD on 0428 47 22 31 for more information and to book your inspection on the Gold Coast.

Features

Designer	Bruce Farr
Builder	Beneteau Yachts, France
Water (Potable) Capacity (l)	1,000 ltrs in 4 tanks - Aluminium tank.
Hull Construction Material	GRP
Hull Type	Monohull
Deck Construction Material	GRP
Length (feet)	50'9"
Length (m)	15.48 m
Beam/Width (m)	4.48 m
Draft (m)	2.30 m
Keel/Ballast	Fin keel with bulb.
Displacement	13,000 kgs Approx. (light).
Colour	Blue
Engine Notes	Model - TMD22-B. Engine - Enclosed, sound proofed. Spare 3 blade prop, Spare 3 blade Maxprop (needs to be serviced and balanced).
Engine Hours	4,200 hours (Estimate).
Horse Power (hp)	78 hp
Generator	Fisher Panda 6.5kw - 110v. 3,210 hrs (Feb '20).
Number of Batteries	Sentry Life pro 600 A/h lithium house batteries - new 2019. Optima Blue Top 75 a/h starting batteries x 2 for engine and genset (second battery is back up).
Fuel Type	Diesel
Fuel Tank Capacity (L)	800 ltrs - in 4 tanks (2 x aftermarket added by original owner) - Aluminium tank.
Propeller	Fixed 3 blade.
Steering System	Twin wheel steering, with chain, steering box and rod connection.
Bow Thruster	XL tunnel bow thruster by Volvo.
Accommodation Notes	3 Double cabins: Larger owners cabin forward, double berth to port, lounge to starboard. Two double cabins aft (Starboard aft cabin is currently used for storage, without mattress). Saloon table also converts to another double. Saloon upholstery was redone in 2018. Starboard aft head is used as laundry.
Number of Berths	8
Number of Showers	H & C showers in each head. Owners has separate enclosed shower. Deck shower at transom (Cold).
Number of Toilets	2 + 1 (removed) in Starboard aft head, which is now used as a laundry with washing machine (New wc can be re- instated). All heads manual. Holding tanks x3.
Air Conditioning	Dometic 16,000 BTU to saloon and owners cabin (New 2018).
