Description

Price: AUD $118,000

'Gigi' is a 2001 Beneteau Oceanis 361 listed exclusively for sale with YOTI on Pittwater.

A well-cared-for example of this popular Beneteau cruising yacht, ‘Gigi’ offers a huge amount of space and accommodation in a small and manageable hull. She is a great option that works equally well for families or couples looking for weekends away, coastal cruising, or just a comfortable place to escape to for a relaxing evening.

'Gigi' has an excellent maintenance history under her current owner, including but not limited to:

- standing rigging replaced (Mar 2021)
- new cabin-top hatches (Jul 2022)
- new bimini and dodger (Jun 2023)
- new forestay and Profurl furler (Feb 2024)
- new Spinlock clutches (Apr 2024)
- rudder bearing and seal plus rear engine mounts replaced (Aug 2025)
- new refrigeration control module and thermostat (Jul 2025)
- new LED cabin lights (Jul 2026)
- engine service with new water heater (Aug 2026)

Below decks, her timber interior is beautiful and presents in great condition. Complemented by new light upholstery, this creates a warm and inviting accommodation space. The 3-cabin/1-head layout feels right for this yacht, offering plenty of room for larger families. She features a generous head with an electric toilet and a separate shower stall, and the port aft cabin has recently benefited from a new custom mattress and bedding. A comprehensive L-shaped galley provides a functional work area with ample storage and refrigeration.

On deck, she is neat and tidy in terms of condition and equipment. A simple and easy-to-manage sail plan means anyone can get the sails set without too much fuss or effort, thanks to her furling Dacron genoa and modest slab reefing main with lazy-jacks and stack-pack.

Power is provided by a low-hour Volvo Penta 29hp shaft-drive diesel showing only 859 hours. ‘Gigi’ is also supplied with a useful inventory of extra equipment, including a dinghy, a 3.5hp outboard, spare parts, and more, making her a very complete package for her next owners.

Contact Luke Holliday for more details and to arrange inspection.

Features
