Suburb	International	Engine Make	Model - 3YM30AE 21KW (29HP).

#### Description

This B en eteau Oceanis 38 Cruiser is now listed for sale with YOTI Bluewater.

She was delivered by ship new to Tahiti in 2016 and purchased by a private owner, then in November 2018 our Bluewater team made the trip to Papeete to inspect her.

This is a vessel that has simply not been used, her engine hours are less than 30. She is a stunning yet simple example of the very popular Oceanis 38. Imagine beginning your exploration of French Polynesia and beyond aboard this easily handled vessel.

Being new the vessel would need several cruising extras to be added, all of which our expert team can help advise on and organise through our service network in Tahiti.

#### Disclaimer
