Description

Price: AUD $158,000

Danske is a 2005 Beneteau Oceanis 423 listed exclusively for sale with YOTI on Pittwater.

This is a '3' series Beneteau which is a hugely respected generation from the world's largest manufacturer. Danske is a very good example and was chosen in the practical two cabin / two heads layout. Timberwork below is beautiful and solid. The large owner's cabin with semi-island berth is forward. The saloon area is super comfortable plus the table lowers for an additional double. The 'U' shaped galley is big, practical, and safe with separate fridge and freezer. There's a proper nav station / workspace to port and an impressive double aft cabin.

Standing rigging was installed new in October 2018. Instrumentation is comprehensive with auto-pilot, plotter, radar, and AIS. Danske is powered by a 55Hp Yanmar shaft drive with three blade folding prop. The 423 is a versatile size which covers both bases of extended cruising and super easy day sailing.

The cockpit is well protected by dodger and bimini with infill. The electric halyard winch makes hoisting easy. The helm seat opens for easy access to the water or dock. The steering wheel even swivels to maximise space.

Danske was anti-fouled and engine serviced in September and a new custom boom bag is being built at time of advertising. She is ready for inspection, ready for summer, and ready for new adventures.

Contact Peter Mactier for further details.

Features

Designer	Groupe Finot
Builder	Beneteau, France
Water (Potable) Capacity (l)	540 L (in two tanks).
Hull Construction Material	GRP
Hull Type	Monohull
