Description

Price Further Reduced: Now AUD \$295,000

'Perla Alba' is a 2011 Beneteau Oceanis 46 for sale with YOTI. This further significant price reduction offers an exceptional opportunity to own this long-range cruising yacht that perfectly blends comfort, style, and performance.

Designed by the Berret Racoupeau Yacht Design team, the Oceanis 46 is part of Beneteau's "fifth generation" of full-cruising yachts, where light, space, and ease of handling were paramount. By collaborating with Nauta Yachts of Milan, Beneteau has crafted a yacht that is not only distinctive and attractive but also remarkably comfortable for extended voyages.

'Perla Alba' is an ideal family yacht, featuring a 4-cabin layout that includes a V-berth forward, a central twin bunk cabin, and two spacious aft double staterooms. The owner's stateroom to starboard boasts private access to a head with a separate toilet and shower, while a day head serves the guest quarters. The inline galley is well-equipped with a 130L front-opening 12V fridge/freezer, a 100L top-opening fridge/freezer, a three-burner gas stove and oven, and a twin-basin stainless steel sink. The large and comfortable U-shaped dinette to starboard provides a perfect space for family meals and gatherings.

On deck, her expansive cockpit, complete with a massive Bimini cover and dodger, offers an ideal spot to relax or entertain while enjoying excellent protection from the elements. The Oceanis 46's design ensures that comfort and ease are at the forefront, whether you're cruising or anchored in a secluded bay.

'Perla Alba' is equipped with everything you need for long-range cruising, including a custom solar panel arch with solar panels, a wind generator, twin Dolphin battery chargers, a 240V inverter, and a Powersurvivor water maker. Her extensive electronics package includes Raymarine GPS plotters at both the nav station and helm, wind speed and depth instruments, autopilot, forward-facing sonar, and Raymarine radar, ensuring that you're fully equipped for safe and enjoyable voyages.

With this latest price reduction, 'Perla Alba' represents unbeatable value for a yacht of this calibre. Don't miss the chance to own this beautifully designed and meticulously maintained Beneteau Oceanis 46.

Contact Ian Greentree today for more details and to arrange inspection on Middle Harbour.
