Description

'Sagres III' is a Beneteau Oceanis 50 now exclusively for sale with YOTI on Pittwater.

The Oceanis 50 is a large, comfortable cruising yacht. She is designed to be easily handled by two while giving enough space to accommodate large groups with ocean crossing capability. This generation of Oceanis gives us the very best of both worlds - proper beautifully woodwork below, large airy interior space and modern features. The semi-opening transom allows excellent walk-through access. This is a three-cabin layout with the spacious owner's cabin forward with island berth, private head and shower and writing desk. The saloon is a seriously inviting space with excellent seating. The saloon table folds out to double into a large dining table. There is a practical nav / workstation to starboard and the galley is one of the best we've seen. There are two large double aft cabins, a second head and shower and good engine access.

Sagres III was first sold brand new in 2006 by one of our YOTI Directors. She was launched and handed over in France for her original Australian owner who cruised the Med. YOTI then sold her a second time, again to Australian owners, who had her sailed to Sydney under her own steam. She has since enjoyed an easy life in and around the protected waters of Pittwater and Sydney Harbour.

Instruments are by Raymarine and include chart plotter, RADAR and auto-pilot. There is a Maxpower Bowthruster, electric halyard winch and Onan generator. The 60 litre p/hour water maker plus an additional water tank make this a genuine long range cruiser. She is powered by a 100Hp Yanmar. Storage is ample with large cockpit storage and a big forward sail locker.

Contact Peter Mactier for further details and to arrange inspection on Pittwater.

Features

Designer	Berret Racoupeau with interiors by Studio Nauta.
Builder	Beneteau, France
Water (Potable) Capacity (l)	570L approx. (additional water tank to standard).
