Condition	Used	State	Queensland
Suburb	COOMERA	Engine Make	Yanmar Model - 3YM30.

Description

Christina Jay is a 2005 Beneteau Oceanis Clipper 343 that is now listed exclusively for sale with the team at YOTI on the Gold Coast.

This is a very popular Beneteau model that is easy to sail and equally suited to comfortable family cruising or fun club racing. She is set up for extended cruising, with solid aluminium tender and outboard, Life raft in custom Stainless Steel frame at transom and solar power.

The 343 features a spacious cockpit with offset transom/ cockpit access and clever pivoting steering wheel and pull up helmsman seat. This makes for much easier passage and circulation in the cockpit.

The deck layout allows for all lines to be brought back to the full shaded cockpit, with near new canvas work and clears. The solar panels are on a separate custom framework which also incorporates the tender hoist.

A buyer should instruct his agents and/or surveyors to investigate such details buyer desires validated. This vessel is offered subject to prior sale, price change or withdrawal without notice.

Christina Jay is the Three cabin version, with a welcoming fruit wood stained Alpi interior. Her light filled and well ventilated saloon features comfortable seating around a central folding table, functional L- shaped galley to port and dedicated nav table to starboard. The head with electric toilet and holding tank is to starboard in the saloon, with hot and cold shower. In the bow is the light and spacious V berth, whilst aft are two mirror-imaged aft cabins with good size double berth.

This is a great opportunity to obtain a very popular sized cruiser, from the Beneteau yard, with good North Sails and current (New in 2017) B&G electronics.

Christina Jay is now ashore at the Boatworks, Gold Coast Marine Precinct, Queensland. Contact Robert Vrind of Yoti QLD on 0428 47 22 31 for more information.

Features
