Description

Sheenanstar is a Gilbert Caroff "Super Disko" designed French built yacht launched in France in 2004 and now exclusively for sale with the YOTI team in Tasmania.

Sheenanstar is a centreboard yacht with twin rudders and was designed to be able to reach those shallow out of the way locations.

The yacht was sailed out to Tasmania from France via South America and Antarctica. She has an excellent pilothouse layout with good visibility from the salon, is well equipped and ideal for long range cruising in the high latitudes with a diesel heater and ample room down below.

This yacht would suit those buyers also looking at OVNI designs. Contact Danny Ryan for more details and to arrange inspection in Hobart.

Features

Designer	Gilbert Caroff
Builder	Les Chantiers Du Poitou
Water (Potable) Capacity (l)	400
Hull Construction Material	Steel 11mm bottom, 6 & 4 mm top.
