Condition	Used	State	New South Wales
Suburb	PITTWATER	Engine Make	Yanmar Model - 3YM30.

Description

Solutions is a 2007 Catalina 320 MKII that is now listed exclusively for sale with YOTI, Pittwater.

Designed by Gerry Douglas, the Catalina 320 MKII has evolved from its roots in 1993 and remains one of the most popular yachts in the Catalina range. They are renowned for their attractive lines and excellent sailing abilities.

Solutions sports the deeper fin keel and features a Selden furling main and overlapping headsail on a Schaefer furler. Along with the remarkable balance of these yachts under sail, these make for extremely easy shorthanded sailing.

Below decks there is bright teak work, an off white liner and lots of light pouring in through hatches and ports. The galley's to port with double sinks, two burner gas stove and oven, and refrigeration unit. Floating above the counter is a glass rack and shelf that doubles as a handhold.

Disclaimer

Our company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents and/or surveyors to investigate such details buyer desires validated. This vessel is offered subject to prior sale, price change or withdrawal without notice.

There is a large double owners' cabin aft and comfortable V-Berth forward. The dinette table folds down to make a double berth and the settee would make an excellent single bunk.

Great storage locker accessed via the cockpit. Shore power, battery charger, hot water, deck shower and electric windlass all included. Instruments are by Raymarine and include wind, depth and speed on the cockpit pedestal.

Solutions is located on Pittwater and ready for inspection. If you would like to find out more about Solutions, then please call Ian Greentree on 0437 397 298 for further details.

Features

Designer	Gerry Douglas
Builder	Catalina Yachts USA
Water (Potable) Capacity (l)	193 ltrs - Plastic tank.
