**Description**

Murphy's Law is a Catalina 320 that was launched New in 2002 and is now listed exclusively for sale with YOTI on Sydney Harbour.

The Catalina 320 is simply one of the world's most successful production yachts. These yachts were built with comfort, strength and sail ability in mind. Murphy's Law includes a Raymarine Auto Pilot (2007) and Tacktick Instruments (2009). A large bimini (2019) protects the cockpit which boasts cushions, a folding table, princess seats and a large "Semi" Open transom with fold down stainless swim ladder. A mainsail mast slide track with Harken cars was added in 2007 which makes for very easy handling and both the mainsail and genoa were replaced new in 2015.

Below decks the interior offers features more akin with larger vessels such as a roomy and practical galley with very deep fridge and double stainless sinks, a practical navigation station, large saloon with drop down table converting to another double berth, fully enclosed head with
