Description

Price Reduced: Now \$190,000

'Rock The Boat' is a 2010 Catalina 375 now exclusively listed For Sale with YOTI in Newcastle.

This yacht is worth an inspection!

The 375 is a highly popular, recreational cruising keelboat built by Catalina Yachts. Introduced in 2008 to replace the successful Catalina 36, it was intentionally engineered to provide significantly more volume, greater interior comfort, and improved sailing efficiency than typical vessels in its size class. It is celebrated as a heavily built, user-friendly coastal cruiser that is easy for a couple or a solo sailor to handle.

The interior and exterior spaces are designed specifically for comfort, relaxation, and entertaining. 'Rock the Boat' is an excellent example of a well maintained 15 year old yacht. The cockpit features a massive "California style" cockpit that is wider than those found on many 45-foot yachts, complete with a walk-through reverse transom, a swimming platform, and popular stern rail seats.

The 2-cabin version is perfectly suited for weekends away or comfortable coastal cruising.

Contact Stuart Broom for more detailed information and to arrange an inspection
