Description

Coming Soon to YOTI - 'Ballistic' is a 2004 Hanse 531 now exclusively for sale on Pittwater.

This yacht is a superb example of German yacht building, combining robust construction, impressive sailing performance and the ability to cover long distances with ease. Presented in great condition, she offers a capable, comfortable platform for extended cruising, with a spacious interior finished in beautiful satin-stained teak that provides real character and feels warm and refined throughout.

Powered by a low-hour 110hp Yanmar diesel with shaft drive and equipped with a bow thruster, she offers confident handling both underway and around the marina. Electric winches and a furling self-tacking jib simplify sail handling, while the generator, water-maker and solar power provide the self-sufficiency needed for extended time aboard.

Please contact Luke Holliday to arrange an inspection or for further information.
