## Description

Built in Germany in 2016 and in as new condition, 'Aristea', meaning the best of its kind, is a Dehler 46 berthed at Middle Harbour Yacht Club and now exclusively for sale with YOTI.

Commissioned by a well-known Sydney yachtsman, Aristea was comprehensive and intelligently specified for fast safe and easy family cruising. Ordered as the three-cabin version, she was also fitted with Lewmar electric a mainsheet and cabintop winches and a B&G Zeus plotter and sailing instruments at each black composite helm.

Sailing is fast and easy on this Dehler 46 with the upgraded T-bulb lead keel, a Southern Spars Carbon in-boom furling main and custom self-tacking jib, both with upgraded North Sails.

Her hull is vacuum infused using epoxy-based resins which allows a light but very strong hull. The internal subframe structure is carbon to further stiffen without compromise and the T-bulb lead keel is designed for maximum stability and increased boat speed.

Lying in Middle Harbour this Dehler 46 will suit the most fastidious buyer looking for a fast and safe, high quality cruiser racer.

Please call Tim Vine for further details.
