Description

Price: AUD \$645,000

Built in 2016 in Germany, 'Verve' is an immaculate and exceptionally well-specified Dehler 46 now exclusively for sale with YOTI.

Now part of the Hanse Group in Germany, Dehler has a respected reputation as a high-quality yacht manufacturer specialising in performance racer cruisers. As the flagship model, the Dehler 46 is a beautifully built, high-volume and safe performance cruiser.

Berthed in Pittwater, 'Verve' was ordered and specified by a Sydney-based sports boat sailor wanting the perfect crossover cruiser/racer. 'Verve' fitted this brief of a quality production yacht with a modern layout, that could also perform well in most regatta fleets.

Specified with a very complete set of B&G sailing instruments, including a Zeus plotter at each helm, AIS and electric mainsheet and cabin top winches, she had many boxes ticked on the order form. She has also recently been specified with two new upwind jibs and Code O and was additionally ordered with a very simple self-tacking jib track and Norths self-tacking jib.

Delivered as the three-cabin version, she cleverly only has a large single berth in the port aft cabin, allowing a "garage like" set up when the extra storage is needed. She lives under a full boat cover at RPAYC in Pittwater, and as a result is very tidy and well kept.

Please contact Tim Vine to discuss this immaculate, well-made, safe and fast performance cruiser.

Features

Designer	Judel/Vrolijk & co.
Builder	Hanse Group, Germany
Water (Potable) Capacity (l)	450L Rotomoulded
