Suburb	COOMERA	Engine Make	Suzuki long shaft outboard motor.

Description

This 2018 Dragonfly 25 Sport trimaran is proudly for sale with our partners at The Multihull Group.

Light and agile, this trimaran punches well above its weight; she's easy to trailer and sets up in less than 30 minutes, giving you limitless options for offshore sailing. This is the more powerful Sport version, and features the famous Swing Wing System allowing you to berth at any marina, needing no more width than a monohull.

The interior layout is practical and simple, formed from high quality composite mouldings and the addition of wooden panels in the sofa headrest. The foldable table in the centre cabin allows for additional sleeping for the weekend away with friends.

Her lightweight hulls are presented in white Gelcoat finish. Deck and structural parts of the interior are hand-laid fibreglass and Biaxial fibres

combined with Divinycell closed cell foam core sandwich construction.

The 25 is a high-performance Sailer, ideal for sport and racing sailors looking who don't want to compromise on comfortable accommodation ... as well as for weekend cruising with family and friends. With a 35cm draft, she is easy to beach, adding to her versatility and fun for all the family. This boat is unsinkable and easy to sail single-handed with all functions leading back to the cockpit.

This is a new Demonstrator boat and represents a 25% discount on the retail price. Located at The Boatworks in Coomera, this boat is ready for immediate delivery.
