Description

'TRI' is a 2019 Dragonfly 32 Evolution trimaran now proudly for sale with the team at YOTI Multihull.

Currently lying in Italy, she was built for the legendary yacht collector Mr. Jack Setton as a "Short Handed Daysailer". She has only been used occasionally since delivery in the European Summer 2019.

Built to order with very high requirements, and no expense spared, this 32 Evolution is absolutely unique. The boat boasts all the features of the standard Evolution plus many custom solutions to make the boat as single-hand capable as possible. The price for a similar new boat would be more than EUR550,000.

'TRI' is in "brand new" condition, exceptionally equipped and immediately available. Contact Tim Vine for further details.
