Description

**** NOW SOLD -[CLICK TO VIEW SIMILAR LISTINGS](#)****

'Lydia' is a 1998 Dufour 41 Classic listed exclusively for sale with YOTI on Pittwater.

This is a solid full-size cruiser built from the respected Dufour yard. Her lines are classic as the model's name suggests and she is in impressive overall condition and includes an extensive inventory.

This is a familiar and very comfortable three cabin / two heads layout. Timber work is incredibly sturdy, functional and looks great. Upholstery and floorboards are all in good condition.

All navigation gear was professionally replaced new in just 2024 - two chart plotters, auto-pilot, helm displays, RADAR, VHF radio and stereo. There is a Leisurefurl in-boom mainsail furling system which makes for very easy sailing. Two of the large Lewmar winches are electric. The cockpit is well protected by the dodger, bimini, and additional awning.

The bimini arch and davit system houses solar panels, the roll out awning, and of course lifts a dinghy.

'Lydia' will appeal to those sailors seeking classic lines and proper build quality - all in a package suitable for both serious cruising or easy lazy weekends.

Contact Peter Mactier for further details and to arrange inspection on Pittwater.
