## Description

**\*\* NOW SOLD -[CLICK TO VIEW SIMILAR LISTINGS](#)\*\***

'Origami' is a 2018 Dufour 412 Grand Large listed exclusively for sale with YOTI on Sydney Harbour.

'Origami' is a very well-presented Dufour 412 Grand Large, launched in 2019 and optioned from the factory with almost every upgrade available. Combining comfortable cruising, practical sailing features and Dufour's renowned use of space, she presents as a complete package.

Ordered with the upgraded 50hp Volvo Penta engine, 'Origami' has less than 300 hours and offers reliable, economical cruising performance. She was also specified with the full electronics package, including a 12" colour plotter with AIS and autopilot, along with in-mast furling, bowsprit, larger marine toilets (aft electric), an additional freezer, and much more.

Sailing is straightforward and stress-free thanks to in-mast furling, powered by a dacron Elvstrom main and a 108% furling genoa. Thanks to the German mainsheet system, both the genoa and main can be trimmed from the same winch positioned directly in front of the helm, making single-handed sailing a breeze. Twin wheels and a wide beam provide excellent cockpit space and easy movement underway. For added fun when running with the wind, she also comes equipped with a gennaker.

The cockpit is one of the real highlights onboard. Dufour's signature transom galley setup includes an integrated BBQ and sink, perfectly positioned for entertaining at anchor with easy access via the fold-down swim platform. Convertible cockpit seating creates spacious day-beds on each side, while the bimini and dodger provide excellent protection from the elements. The current owners upgraded her battery system and added solar charging in 2023, along with installing custom stainless-steel davits, making tender storage simple and practical for extended cruising.

Below deck, the Oak interior is bright, modern and exceptionally spacious for a yacht of this size. The three-cabin, two-head layout is ideal for families or cruising with guests, while the saloon and galley offer impressive storage, large refrigeration capacity and plenty of bench space for easy living.

With huge internal volume, practical cruising features and a reputation as one of the best all-rounders in this size range, "Origami" is a yacht that delivers comfort, capability and style in equal measure.
