Description

Price: AUD $540,000

Built in France by Dufour Yachts and handed over in Sydney in 2021, Zenith is a lightly used, one-owner Dufour 470 listed exclusively with YOTI.

Now berthed at Sanctuary Cove, she is a well-specified, high-volume cruising yacht with three cabins, a generous cockpit and the equipment to spend extended periods away from the marina.

Below deck, the light oak interior and pale grey upholstery give the saloon a bright, open feel. The owner's cabin forward has an island berth, and the three-cabin layout sleeps six with two electric toilets and two internal showers. Her very clever lateral galley is well set up for longer trips, with a double-drawer fridge/freezer, a separate top-loading fridge and a three-burner stove with oven and grill. Dometic air conditioning serves the saloon and cabins, while a 6.4 kW Fischer Panda generator, Spectra watermaker, and six bimini-mounted solar panels support her genset and shore power and round out the cruising inventory.

The teak cockpit is set up for sailing and for time at anchor. A large bimini shades the twin helms and cockpit seating, the cockpit table has its own fridge, and the transom has a gas plancha grill and sink. The electric swim platform makes boarding easy, and retractable davits carry a 2.3 m dinghy with a Torqeedo electric outboard.

Under sail, the self-tacking jib, fully battened mainsail with lazy jacks and electric halyard winch make Zenith straightforward to handle short-handed. There's also a furling J2 and a comprehensive Raymarine package with twin Axiom plotters, Evolution autopilot and AIS. The 60 hp Volvo diesel showed 580 hours in November 2026, and a retractable Sleipner bow thruster assists with close-quarters manoeuvring.

Please call YOTI Queensland to discuss this lightly use and well specified 2021 Dufour 470.

Features

Designer	Umberto Felci
Builder	Dufour Yachts
Water (Potable) Capacity (l)	530L
Hull Construction Material	GRP with foam core above waterline
Hull Type	Monohull
Deck Construction Material	GRP cored- teak to the cockpit sole, seats and transom
