Description

**** NOW SOLD -[CLICK TO VIEW SIMILAR LISTINGS](#)****

'G Whizz' is a 2007 Elan 340 listed exclusively for sale with YOTI on Sydney Harbour.

This is a mid-sized performance cruiser designed by Rob Humphries. 'G Whizz' offers a fun, responsive, and fast club racer with the comforts of a cruising yacht. Her second and long-term owners have successfully raced her on Sydney Harbour.

The sail wardrobe is impressive and largely by Doyle with furling and non-furling headsails, black Kevlar main, and both symmetrical and asymmetrical kites. There is an easy-to-handle extendable bow sprit. The Dyform rigging was fully replaced in 2023 by Diverse Rigging including all halyards, mast electrics and a new Selden furler.

Down below, this is very much a comfortable cruise interior with a practical two cabin layout, proper galley and nav station, large folding saloon table, and good-sized head / shower with practical wet hanger. There is very little evidence below that G whizz has been a successful long-term racer as the cabinetry, floor, and upholstery present in excellent condition. Many of the surfaces and the table have been covered for protection.

There is a solid and well-organized safety inventory plus extensive systems and boat manuals. The yacht has lived under a boom tent for most of her life when at rest plus there is an additional lunch awning with battens.

'G Whizz' has just been anti-fouled November 2025, engine serviced December 2025 and enjoyed a full hull soda blast in 2022. This is an incredibly versatile option for those seeking something that is exhilarating to sail while also offering cruising comforts.

Contact Peter Mactier for further information and to arrange inspection on Sydney Harbour.

Features

Designer	Rob Humphries
Builder	Elan Yachts
Water (Potable) Capacity (l)	200L plastic moulded tank.
