Suburb	PITTWATER	Engine Make	Volvo 2002

#### Description

High Anxiety, a modified Elliott 10.5 is proudly and exclusively listed for sale with YOTI.

Built by Stilwell Boats and subsequently modified with a new rig, lift keel and casing, and hull extended to 10.8m with design modifications by Ian Murray & Associates and High Modulus NZ. High Anxiety is a seriously competitive head turner at an entry level price point, a race yacht that has been very intelligently improved throughout her time on the water. Further improvements were crowned with a carbon fibre bow sprit built by Northshore Marine on Pittwater in 2014 offering what we all want: less reliance on crew numbers - bigger kites - more fun.

High Anxiety's recent results speak for themselves with victories in both inshore and offshore racing, including winning her division in all of the following: 2017 Sydney Harbour regatta, 2016 Pittwater to Coffs, 2015 Bird Island Bluewater, 2015 Pittwater to Newcastle Bluewater, 2015/16 RPAYC Summer Inshore Series.

#### Disclaimer

Our company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents and/or surveyors to investigate such details buyer desires validated. This vessel is offered subject to prior sale, price change or withdrawal without notice.

Hull topsides were resprayed in 2015 and it shows. Further recent updates include new Raymarine auto-pilot components (making your delivery home easy), new AIS / Bluetooth stereo with cockpit speakers / electric marine head / LED lighting / keel fairing.

You will look good in this boat and you can win races in this boat at a fraction of the cost of her main competition. Contact us for more and to inspect on Pittwater.
