Description

** NOW SOLD -[CLICK TO VIEW SIMILAR LISTINGS](#)**

Berthed in Sydney Harbour and in immaculate condition, 'Fortuna' is a 2013 Elliott 1350 Tourer build by Hutcheson Boats in New Zealand and now exclusively for sale with YOTI Sydney.

Built for Greg Elliott, this performance pilot-house blue water cruising yacht has 360° panoramic view from her raised saloon. Her modern and light interior includes a great sized V-berth, twin aft doubles and a clever separate heads and shower arrangement. A full Stainless Steel inline galley to port has a front opening fridge and freezer with significant storage.

On deck the sail controls all lead to the helm where 4 winches (1 electric) are easily reached from the wheel. A Leisurefurl boom and furling jib make shorthanded family cruising very easy.

Powered by a 54hp Yanmar, this fast, safe and very stylish 44' blue water cruising yacht is berthed in North Harbour and ready for her next adventure.

Please contact Tim Vine for further information or to organise an inspection.
