Description

Brannew is a Farr 30 built by McDell Marine New Zealand in 1996 that is now listed exclusively for sale with YOTI Sydney.

Most recently successfully campaigned out of Port Hacking in Sydney's South, Brannew is in race ready condition for her next owner. She is stored in a cushioned marina pen under a boom cover with a de-humidifier running.

The extensive sail wardrobe, largely by Ian Short, has been added to in recent seasons. Instruments by B&G were new in just 2015.

Contact Peter Mactier at YOTI for further details and to arrange inspection on Port Hacking.
