Built in France in 2004 by Fountaine Pajot, this Belize 43 is in excellent condition, having well cared for by her current owners, and is now exclusively for sale with the team at YOTI.

Originally ordered as the 4-cabin version, but professionally and cleverly modified to now configure as a three cabin with a multi storage cabin, 'D&J' is moored in Middle Harbour, Sydney and easily inspected with YOTI Multi. Specified with Yanmar 3GM30's with a thorough recent service history, she has also been fitted with an upgraded battery and inverter inventory, a complete Raymarine instrument package and solar package on an arch and new tender on davits.
