Description

Price: AUD \$64,000

CASTSUP is a 2003 Grainger Raider 309 listed exclusively for sale with YOTI on Pittwater.

This is a professionally built speed machine built by Lightwave Yachts. The name of the game is FAST.

CATSUP is well maintained and presents in excellent condition. Most of the standing rigging was replaced new in December 2021. There are two kites and a furling screecher. The deck gear is quality with Andersen winches. The main is neatly stowed in the boom bag and the bag rolls up on the boom when in race mode.

There is practical sleeping and stowage space in each hull - this would make a very fun weekend escape or crash pad after a race. The Yamaha long shaft outboard has recently been serviced.

CATSUP is ready for fun exhilarating sailing and is available for inspection on Pittwater. Contact Peter for further details and to arrange an inspection.
