Suburb	PITTWATER	Engine Make	Model - D1-30F.

#### Description

Amazing Grace is a 2014 Hanse 345 that is now listed exclusively for sale with team YOTI, Sydney.

The Hanse 345 is designed for easy, quick and comfortable sailing. The brands signature self tacking headsail, plus all lines leading to the aft winches just forward of the twin wheels make shorthanded sailing simple. The long waterline, 'T' speed keel and the sleek and slippery Judel/Vrolijk designed hull make for exciting sailing.

The cockpit with twin wheels, large drop down swim platform, and folding table gives all we look for in a modern midsize cruising yacht. Accommodation consists of two double cabins with the owner's cabin forward. The big saloon with impressive headroom and folding table offers a good amount of seating. The seriously impressive head and shower to port will impress all who inspect. There is also internal access from the shower room into the large cockpit storage locker (which also has cockpit access).

#### Disclaimer

Our company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents and/or surveyors to investigate such details buyer desires validated. This vessel is offered subject to prior sale, price change or withdrawal without notice.

The inventory includes instruments by B&G, Fusion stereo, stainless steel BBQ, cockpit cushions, battery charger, electric windlass.

The brand is backed by a very strong Australia wide importer in Team Windcraft who also boasts the country's largest brand specialised yacht service team.

The Hanse 345 is a tempting option for the young family, performance conscious club racer or couples seeking to escape. Antifouled and engine serviced in January 2019, Amazing Grace is ready to sail away.

Available for inspection on Pittwater, contact Peter Mactier for further details.
