Description

** NOW SOLD -[CLICK TO VIEW SIMILAR LISTINGS](#)**

'Breeze' is a 2013 Hanse 345 listed exclusively for sale with YOTI on Pittwater.

The 345 has been a hugely successful model offering great performance and comfort in a very easy to sail package with big boat cruising features. Being a Hanse she has the signature self-tacking headsail and ease of handling is further boosted in Breeze with in-mast furling. All lines are led aft to the Lewmar winches by each helm.

'Breeze' is the full three cabin layout with owners' cabin forward, saloon with large folding dining table, L shaped galley, private head and shower and two double aft cabins. The cockpit is protected by the dodger and bimini plus a removeable infill.

Instruments are by B&G and include a touch screen plotter in the cockpit. There is a fusion stereo with internal and cockpit speakers. The cockpit space is massively extended when at anchor or on the dock by the folding boarding / swim platform. 'Breeze' is powered by the larger option Volvo 27Hp with folding prop.

This is an easy, comfortable, late model cruiser built by the German powerhouse of cruising yachts. Contact Peter Mactier for further details and to arrange inspection.
