Description

**** NOW SOLD -[CLICK TO VIEW SIMILAR LISTINGS](#)****

'Karisma' is a Hanse 350 now listed exclusively for sale with YOTI Sydney Harbour.

Launched in 2008, Karisma is a three-cabin version of one of the most popular in a series of designs from the Judel/Vrolijk drawing board, the origins of which can be traced back to themes developed in the late 1990's and which still carry through today. Karisma's interior is modern, fresh and welcoming and the three-cabin layout offers maximum flexibility for accommodation or for the third cabin to be utilised for storage. The incredibly practical layout option selected for this boat has the head forward (as an ensuite to the owners' cabin) which then allowed the saloon furniture to be angled, which created more usable space. The 'L' shaped galley includes handy storage, a double sink, two burner gas stove and oven and good-sized refrigeration.

The space on deck is clean and uncluttered. The cockpit is nicely finished with teak and the transom walkthrough gives great access to the water or onto the dock.

In self-tacking headsail mode, the Hanse 350 is a versatile easy to sail, quick cruising yacht, equally suited to weekend sailing or coastal cruising. Fitted as Karisma is with the optional Genoa tracks, she can utilise an overlapping headsail for fun and competitive club racing.

Karisma has an extensive electronics fit out including GPS plotter, wind, speed and depth displays as well as Auto Pilot and comes with B&G VHF radio and AIS. Most of her covers were replaced in 2022 and she is freshly antifouled.

For further details and to arrange inspection on Sydney Harbour, please call Ian Greentree.

Features

Designer	Judel/Vrolijk
Builder	Hanse Yachts, Germany
Water (Potable) Capacity (l)	240L Rotomoulded tank
