Description

Purchased new in 2012, Aqua Bella is a Hanse 355 that is now exclusively listed for sale with YOTI Sydney Harbour.

This Hanse 355 features all those things we have come to expect from the brand...

Family cruising: this is the preferred two cabin layout with a good sized forward cabin, double aft cabin, full galley services, and large head with separate shower stall with internal access to the storage 'shed' (the massive storage locker also accessed from the cockpit). The cockpit is open, practical and safe with custom cushions, cockpit table and semi open transom for easy access in and out of the water or simply to step onto the dock.

Short Handed sailing: There is a signature Hanse self tacking furling headsail, winches easily reached from the wheel, auto-pilot, chart plotter

at the helm, boom bag and lazy jacks. Welcome to one handed tacks... Just turn the wheel!

Club racing: Designed by renowned naval architects Judel/ Vrolijk & Co, the Hanse 355 is a much loved performer. Her T speed keel, direct rod linked steering system and big sail area make the 355 a seriously fun yacht to sail.

Aqua Bella has just been slipped, anti-fouled and polished (November 2019). The bimini, dodger and boom bag are new. Solar panels have been installed on the bimini in 2017. This is a sail away package ready now.

For further details and to arrange inspection on Sydney Harbour contact Peter Mactier.
