Description

Amici is a 2012 Hanse 385 that is now listed exclusively for sale with YOTI on Pittwater.

The Hanse 385 is one of the most successful models built by the German manufacturer both globally and locally. Designed for easy, quick and comfortable cruising, Amici also offers a very well rounded level of factory and local upgrades.

The brands signature self tacking headsail, plus all lines leading to the aft winches just forward of the twin wheels make shorthanded sailing simple as do the auto pilot and upgraded electric winch. The genoa tracks mean the yacht is partly set up to fly an overlapping headsail plus an asymmetric kite could be rigged. The Judel/ Vrolijk designed hull is sleek and slippery.

The cockpit with twin wheels, large drop down swim platform, mounted stainless steel BBQ, folding table with colour chart plotter and inbuilt
