## Description

Price: AUD \$398,000

'Cooinda' is a 2016 Hanse 455 listed exclusively for sale with YOTI on Pittwater.

The 455's have proved to be an exceptionally popular model. Their size and capacity allow for true blue water cruising while they boast the brands ease of handling, great style and design, and of course respected quality.

Cooinda is a three-cabin / two-head layout. The massive owners cabin forward with completely separate private head and shower spaces. Timber work was upgraded to the Italian Oak and looks great with the striped floors and leather upholstery. The saloon table lowers for an additional double or lazy day bed. The galley is impressive with loads of bench space and two fridges. The main head / shower has solid folding shower screen. There are two double aft cabins. Deck storage is substantial with good sized cockpit lockers plus the forward sail locker / dinghy storage in the bow.

The cockpit is modern, easy and spacious with the main winches right by the helms allowing super easy short or even single handed sailing. All lines lead to these aft winches which are electric. There are two additional winches should a Code Zero or asymmetric sails be added. Of course there is the boarding / swim platform and twin wheel steering with upgraded black composite wheels. The mainsail is in-mast furling and being a Hanse, the headsail is self-tacking.

Instrumentation is substantial with B&G plotters at each helm plus four multi displays. There is auto-pilot and AIS. House batteries were upgraded to Lithium in 2021. There is a dodger and bimini with solar panels neatly zipped to the bimini.

Cooinda allows for ultimate flexibility covering simple fun sailing while also having the size and pedigree for extended offshore adventures.

Contact Peter Mactier for further details and to arrange inspection on Pittwater.
