Description

**** NOW SOLD -[CLICK TO VIEW SIMILAR LISTINGS](#)****

'Spectre' is a 2017 Hanse 455 listed exclusively for sale with YOTI.

This is the magic blend of a full-size - easy - modern cruising yacht with standout performance and great features. Being a Hanse, she is designed around the self-tacking headsail. Spectre is also set up to fly an overlapping headsail and even a gennaker or furling Code sails off the bow fitting with bobstay and halyard ready to go. The upgraded twin black Carbonautica wheels match what is a sleek, slippery and very fun cruiser.

There are three large cabins. The master cabin is forward with fully separate shower and toilet spaces. The saloon is super comfy and inviting with the perfect cabinetry, flooring and upholstery chosen. There is a separate large day head and shower. The galley is spacious with two fridges, and microwave.

The cockpit with boarding / swim platform was upgraded with synthetic teak. There is a cockpit BBQ hotplate integrated into the transom and cockpit sink (equally well concealed) plus cockpit fridge. Instruments are comprehensive with plotters and displays at each helm plus of course auto-pilot. The main winches are electric, and all lines and halyards lead directly to these powered winches which are just by the helms. There is a bow thruster for easy docking.

This Hanse 455 covers all bases - easy single-handed sailing, extended Bluewater cruising and even racing. Spectre is available for inspection on Pittwater. Contact Peter for full details and to arrange an inspection now.
