Power Type	Sail	Stock Number	Tranquilo
Condition	Used	State	New South Wales
Suburb	PITTWATER	Engine Make	Volvo Penta.

Description

'Tranquilo' is a current model Hanse 455 launched in just 2017 that is now listed exclusively for sale with team YOTI in Sydney.

She is one of the best equipped very late model Hanses in the world for Bluewater cruising. With her spacious cockpit, swim platform and sun drenched interior in excellent condition, she is also a joy to sail inshore and to host family and friends.

Current model, ready now and offered for sale at a huge saving on new.

Hanses are well known for being fast, well built cruisers and for ease of handling. They stand out from many other high volume production boats in their solid construction, with hand laid fibreglass and glassed in bulkheads providing for a very stiff hull and intelligent design. Their Selden rigging system, with self tacking headsail and all lines leading to the twin helms, makes for easy short-handed sailing while delivering

exceptional performance.

Tranquilo's current owners have been meticulous in ensuring that she is always in top condition while delivering her from Europe to Australia. Tranquilo carries an extensive supply of new unopened spare parts, including an MDI (engine Mechanical Diesel Interface), alternator, starter motor, engine filters, water pump, VHF antenna, and anodes.

The mainsail and self-tacking jib were upgraded plus a second unused mainsail is included. A furling Gennaker makes for fast exciting sailing. Power generation is covered while sailing with a Watt & Sea 600W Cruising Hydrogenator and solar panel. The inbuilt Barbecue at the transom looks great and is seriously practical.

Accommodation consists of the large owner's cabin forward with private head and shower, plus two large double aft cabins. The saloon is positioned on starboard and two seater sofa on port side plus dedicated navigation area. The large second head and shower is to port.

Tranquilo features tried and tested options such as electric winches and bow thruster that make her a pleasure to sail. Her very significant list of factory upgrades include the larger Volvo 75 engine, folding propeller, additional double berth when the saloon table is lowered, a long list of navigation gear including AIS, autopilot and chart plotters at each helm. A long list of equipment and spares have been added post commissioning.

Tranquilo is available now on Pittwater, for further details contact Peter Mactier at YOTI.

Features

Designer	Judel / Vrolijk.
Builder	Hanse Yachts Germany.
Water (Potable) Capacity (l)	Approx 450 ltrs.
Hull Construction Material	Isophthalic Gelcoat. Vinylester 1st layer. Bulk laminate. Polyester (orthophthalic or DCPD). Main bulkhead laminated to hull and deck. GRP strong back.
Hull Type	Monohull.
Deck Construction Material	White deck. Isophthalic Gelcoat. Vinylester 1st layer. Bulk laminate Polyester (Orthophthalic or DCPD). Balsa sandwich. Nonslip deck surface.
Length (feet)	45' 9"
Length (m)	13.95
Beam/Width (m)	4.38
Draft (m)	2.25
Keel/Ballast	'T Speed' keel with Stainless Steel bolts.
Displacement	Approx. 11.6 t approx. 25,570 lb.
Engine Hours	825 hrs approx. (Oct 2018).
Horse Power (hp)	72 hp (upgraded from 53 hp).
Engine Room	Under companion way stairs, insulated plus side access
Generator	Watt & Sea 600W Cruising Hydrogenator.
Number of Batteries	Batteries upgraded: 1 x 90Ah AGM start battery, 650Ah AGM house battery capacity (double standard). Victron battery monitor. (Additional dedicated battery listed under Bow thruster).
Fuel Tank Capacity (L)	Approx 220 ltrs.
Steering System	Twin wheel steering system. 2 upgraded Y spoke GRP Black steering wheels. Semi balanced, profiled rudder with alloy shaft and self aligning needle bearings. Emergency tiller.
Bow Thruster	12 V - 4.3 KW Electrical retractable bow thruster - "Quick" - with dedicated 95 amp/hr AGM battery.
Accommodation Notes	3 cabin layout - Owners cabin forward with large "island" berth and second head and shower. Two large double aft cabins. Lowerable table in saloon for additional double berth. Large head with separate shower stall. Pressurised Hot + Cold water. Water heated from engine or immersion heater 230 V.
Number of Berths	8
Shower Type	2 internal + deck shower (all Hot & Cold).
Number of Toilets	2 manual Jabsco marine toilets. Holding tank.
Air Conditioning	Fans x 4 - one in each berth and in saloon.
Galley Notes	'U' shaped settee area on starboard and 2 seater sofa on port side. Separated navigation area on port side. Chart table with storage. 'L' shaped galley. Mahogany style furniture. 'Monte Carlo' cream. Saltwater pump in galley.
Stove	3-burner LPG gas stove with oven, gimballed.
Refrigeration	Extra large 12 V fridge of approx. 130 l, top and front loader with light.
Number of Sinks	Double Stainless Steel sink.
Entertainment and Appliances Notes	Fusion MS-RA205 FM/ AM Radio and VHF receiver, 2 zone system with internal and cockpit speakers. Fusion MS-NRX200i control in cockpit. Fusion MS-UNIDOCK docking station - i-Pod/ iPhone, USB, Android. Fusion MS-BT100 Bluetooth audio link.
Anchor / Winch	Electric anchor windlass 1000 Watt.
Bilge Pump	Manual and electric bilge pumps.
Deck Gear	2 self-tailing electric halyard winches Lewmar 50 AST EVO. 2 self-tailing secondary winches (upgrade) Lewmar 50 EVO. Dyneema halyards. Selden MDS main slider system.

Mast/Rigging
