Power Type	Sail	Stock Number	Phantom
Condition	Used	State	New South Wales
Suburb	DRUMMOYNE	Engine Make	Volvo Model - D4-75.

**Description**

Phantom is a 2011 Hanse 495 that is now listed exclusively for sale with team YOTI, Sydney.

Phantom reveals a well maintained and an intelligently specified Hanse 495. These yachts are sleek, easy to handle and offer excellent performance and a superior amount of use able practical space. All lines are led directly aft to the electric winches just in front of each helm leaving the Coach roof completely free from winches or lines. The self tacking headsail makes for single handed tacks plus genoa tracks have been factory fitted. The sail wardrobe includes the upgraded fully battened mainsail by Norths, a carbon self-tacking headsail by Hood, overlapping genoa also by Hood, an easy to handle Asymmetric kite or gennaker by Norths and refreshingly we also see both a storm jib and trysail included.

Accommodation has been finished in Canadian Beech and consists of a huge owner's cabin forward with island berth, upgraded inner spring

mattress and separate private head and shower rooms. The large saloon space comfortably includes the centre bench which integrates storage, seating and the retractable Sony TV. The well kitted galley includes upgraded refrigeration (two drawer fridges, plus drawer freezer), coffee machine, microwave, large sinks and three burner stove and oven. A generous second head (electric and fresh water flush) and shower sits to port opposite the forward facing dedicated nav station followed by two very good sized double aft cabins. The Volvo 72hp (with folding prop) is easily accessed via the gas strut assisted lifting stairs plus side access.

Chosen with full teak decks this yacht is a stunning head turner with a list of extras both customised and factory ordered which will impress all sailors. The twin wheels were upgraded in the black composite 'Y Spoke'. Instrumentation was upgraded to include two colour chart plotters (the larger 12- inch screen easily seen and controlled from the helm), AIS, autopilot with separate hand held remote plus VHF radio with additional hand held repeater. The large boarding / swim platform gives superior access to the water or the dock. Bow and stern thrusters were chosen making docking hassle free.

Contact Peter Mactier for inspection on Sydney Harbour.

## Features

Designer	Judel/ Vrolijk & Co.
Builder	Hanse Yachts Germany.
