## Description

**\*\* NOW SOLD -[CLICK TO VIEW SIMILAR LISTINGS](#)\*\***

First Light is a one owner, 2014 Hanse 505 now listed for sale exclusively with YOTI.

This is a large, sleek, easy to sail, quick cruiser. Lines are led aft to the main electric winches by the helms. Much of the running and deck gear has been replaced and upgraded. There is of course the Hanse signature self-tacking jib. In addition, there are factory fitted genoa tracks with a new overlapping genoa. The black in-mast furling main sail by Hoods is also new plus there is a furling Code 0 on a retractable bow sprit plus an asymmetric spinnaker.

The 505 below decks offers a luxurious owner's cabin forward with island berth and completely separate head and shower compartments. The large saloon simply works with stair like entry from the cockpit, large saloon seating opposite the island bench with retractable TV, the in-line galley sits to port and nav station starboard. There are two large drawer fridges, large drawer freezer, dishwasher, and microwave. A twin cabin and main head with shower stall are accessed via the saloon. There are two generous double aft cabins. There is a huge amount of storage accessed on deck with cockpit lockers, lazarettes and the sail locker in the bow.

B&G instrumentation include a plotter at each helm, displays, plus auto-pilot. The bow thruster was replaced new in 2021. A Highfield tender and Suzuki outboard are included.

This Hanse 505 presents an exciting cruising platform with great performance. Contact Peter for further information and to arrange inspection on Sydney Harbour.
