## Description

Built in Germany in 2010, this Hanse 545 is berthed in Sydney and now For Sale with YOTI.

Ordered with the larger Volvo 107hp shaft drive diesel and a Seldon in-mast furling main and self-tacking jib, this blue water cruiser is safe, fast and very easy to handle. Her massive cockpit is made very comfortable with a full set of custom cockpit cushions including twin daybeds under her large dodger. A 6Kva genset runs air-conditioning systems throughout the boat and provide a great backup charging system.

This three cabin layout has a huge master cabin with owners ensuite including separate shower. Her saloon feels spacious and bright. There are also two large double aft cabins with a day head to port. Her galley is aft and to starboard with a top-opening fridge and twin s/steel front opening fridge and freezers. Salt is very well specified and in immaculate condition. Please contact YOTI for further information.

## Features

Designer	Judel / Vrolijk & Co
Builder	Hanse Yachts Germany
Water (Potable) Capacity (l)	700L S/S tank
