Description

Price AUD: $465,000

‘Faraway’ is a beautiful 2004 Island Packet 485 for sale exclusively with YOTI, Queensland.

A highly regarded bluewater cruising yacht, this Island Packet 485 combines robust construction, generous accommodation, and the reassuring offshore capability that makes extended cruising so appealing. A full-length keel design means she tracks beautifully and provides the comfort and seaworthiness that owners expect when the conditions take a turn for the worse. This is the kind of boat you want if you're looking to explore further afield.

Farawayis Australia-imported, AMSA-registered and presents in excellent condition, with an extensive inventory to match her cruising ambitions. A substantial maintenance period throughout 2026 has equipped her for her next adventure, which includes:

- New standing rigging
- New Raymarine electronics package
- Through hull fittings removed and serviced
- Drivetrain removed and serviced + new cutlass bearing
- Antifoul & polish (Dec 2025)
- New fridge and freezer
- Sails professionally serviced
- Engine comprehensively serviced, including new injectors
- 6.5kVA Fischer Panda generator serviced
- Raymarine autopilot serviced
- Spectra 12V watermaker serviced (60 litres per hour)

Below decks, beautiful workmanship and warm character give Faraway an inviting, homely feel, with the space and comfort to make longer stays aboard a pleasure. The two-master-cabin layout offers each cabin its own ensuite, while the versatile office converts to a kids’ cabin when family or guests join the adventure. A huge galley is thoughtfully designed for use underway, and a proper navigation station with a captain’s chair completes an interior equally suited to life at sea and relaxed time at anchor.

On deck, the safe centre-cockpit design is fully enclosed by clears, creating a sheltered space from which to enjoy the passage. Her cutter rig combines the convenience of all-furling sails with a staysail on a self-tacking Hoyt boom, while electric winches and all sail controls operated from the safety of the cockpit add to the appeal of this well-considered cruising setup.

Her long-range cruising equipment includes a watermaker, generator, and two dinghy + outboard setups. This is a ready-to-go package, with a huge inventory of spares, tools, and equipment included.

With such a comprehensive preparation programme completed in 2026,Farawayrepresents an enticing opportunity to step aboard a proven bluewater design with much of the substantial work already behind her. For those dreaming of extended passages, new anchorages and a comfortable life afloat, she deserves a place on the shortlist.
