Description

**** NOW SOLD -[CLICK TO VIEW SIMILAR LISTINGS](#)****

'Voila' is a 2015 Jeanneau Sun Odyssey 349, listed exclusively for sale with YOTI on Sydney Harbour.

This is a very impressive example of the highly popular Jeanneau Sun Odyssey 349, offering an excellent balance of sailing performance, cruising comfort and modern design.

A 2015 model, she presents in excellent condition, reflecting the care and attention of her current owner and backed by an excellent maintenance history. She is the sought-after 2-cabin, 1-head configuration, making excellent use of the space with a separate shower stall and large utility locker, which can also be used as an additional berth.

She has been thoughtfully specified to maximise sailing performance while remaining easy to manage. Her square-top mainsail provides additional power, while the swept-back spreaders eliminate the need for a backstay. A fixed bowsprit allows for the use of an asymmetric spinnaker and Code Zero, while twin rudders, a wide stern and pronounced chines provide excellent stability and a responsive feel at the helm.

Jeanneau's swing-keel adds further versatility, giving excellent performance whilst under sail, and at the push of a button, providing access to shallower cruising grounds. The clever design means all this is achieved without impeding on the interior space.

She is powered by a Yanmar 21hp with a shaft-drive, with 593 hours and excellently maintained, the last service being in July 2026.

Equally at home cruising or racing, Voila is equipped with an extensive inventory. Her sail wardrobe includes two sets of North 3Di mains and jibs, symmetrical and asymmetric spinnakers, and a Code Zero. Cruising gear includes everything from a dinghy and outboard, through to snorkelling masks and flippers.

A highly capable and versatile yacht, Voila is ready to sail and deserves inspection.

Contact Luke Holliday to arrange an inspection on Sydney Harbour.
