Description

'Avanti' is a 2009 Jeanneau Sun Odyssey 49i now exclusively for sale with YOTI Sydney.

This Philippe Briand design is configurable to either a 3 cabin or 4 double cabin layout and while she is ideal as a sleek, fast, family cruiser, her cockpit layout also makes her an easy and safe boat to cruise for a couple. Simple things like an electric halyard winch take the effort out of raising sails.

Her large cockpit is the perfect place to entertain friends or simply relax after a day's sailing and is protected from the elements by a large Bimini cover and spray dodger. Her transom platform is easy to access and the deep swim ladder provides a safe transition into and out of the water.

Step below into the enormous saloon and you find a large in line galley to port with gas stove, twin basin stainless steel sinks, a large top opening fridge and separate top opening freezer. The forward cabin can be configured as a single owner's cabin or partitioned off as two double cabins each with its own head. Both double quarter berths also have their own head. The U-Shaped dinette can also convert to a double berth if required. To top it off she is fitted with single zone marine air conditioning, a flat screen tv and Kenwood entertainment system.

The navigation station to starboard is simple but functional.

Avanti comes with Ullman laminated cruising main and furling genoa and has an asymmetrical spinnaker which is flown off a removable bow sprit. She has a suite of Raymarine instruments and Autopilot and is fitted with a powerful 110hp Yanmar shaft drive diesel.

For further details or to arrange inspection on Sydney Harbour please contact Ian Greentree.

Features

Designer	Philippe Briand
Builder	Jeanneau France
Water (Potable) Capacity (l)	635L in two plastic tanks.
