Description

Lying in Tahiti and extremely well specified and cared for, 'Jazzi' is a 2005 Jeanneau 49i Performance exclusively for sale with YOTI in Australia.

Ordered as the Performance version, Jazzi was delivered with a taller mast and deeper keel compared the standard Jeanneau 49i. As a three cabin version her forward cabin has a large island berth and separate owners ensuite. Her galley is inline and to port, with a complete navigation table aft and to starboard. There are two good sized twin aft doubles.

Powered by a 100hp Yanmar, she was also specified with a Paguro genset and bow and stern thruster. All her batteries were renewed with all AGM in 2019 as was her Raymarine plotter and sailing instruments.

Jazzi is a very safe, fast, and capable Bluewater cruising yacht, lying in Tahiti. Your adventure starts here!

VAT paid in Europe. Ex Tax Australia; Ex Tahiti.

Features
