## Description

Tucana is a 2008 Jeanneau Sun Odyssey 50 Deck Saloon now exclusively for sale with YOTI in Melbourne.

This owner's version layout boasts a very impressive forward owner's cabin with ensuite plus two large double aft cabins. The saloon area is generous and the full galley includes fridge and separate freezer. More than adequate seating surrounds the saloon table and opposite along the separate Settee. The whole saloon is light and bright thanks to the large deck saloon windows and deck skylights and equally can be closed off for privacy and sun protection.

Sail handling is easy with three electric winches and twin wheel steering giving excellent visibility. The cockpit is large and practical with seriously sufficient space for both lounging guests and active crew. There is a large sail locker in the bow.

Instruments are by Raymarine and include new Axiom 12 inch touchscreen Chartplotter in the cockpit, AIS, ST 70 Multi's at the helms and ST70 linear drive Auto Pilot. The mainsail is brand new and the genoa has been serviced by Doyle Adelaide. There is also an MPS spinnaker plus a storm jib on a separate inner-forestay.

Lying at Sandringham in Melbourne, contact Tim Vine for full details and to arrange inspection.
