Model	80	Length	24.08
Year	1993	Category	Racing Yachts
Hull Style	Single	Hull Type	Other
Power Type	Sail	Stock Number	Brindabella
Condition	Used	State	New South Wales
Suburb	DRUMMOYNE	Engine Make	Yanmar Model - 4LHA-HTP (New 2007).

**Description**

Brindabella is a 1993 Scott Jutson designed Jutson 80 that is now exclusively for sale with YOTI in Sydney.

Sometimes referred to as "The people's maxi" Brindabella was designed by Scott Jutson under the IMS handicap system as a 75 foot maxi. She later underwent structural changes including the addition of a bow sprit, and a "scoop" transom to extend her to 80 feet.

She won the Sydney to Hobart line honours in 1997, had four second placings and has broken numerous records including the Sydney to Hobart record for a conventionally ballasted yacht (1999), the Sydney to Wollongong race, Bird island, Cabbage Tree Island, Sydney Noumea, Sydney Mooloolaba, and Sydney Gold Coast races.
