Condition	Used	State	New Zealand
Suburb	Auckland	Engine Make	Yanmar twin Diesel. Model 3YM30AE.

Description

Ganesha is a 2018 Lagoon 380 Infinity Limited Edition, commissioned brand new in New Caledonia June 2018 that is now for sale exclusively with team Yoti.

Ganesha has been set up with safe, fun, family Pacific cruising in mind. She is offered for sale presenting as close to a new yacht as possible and her new owners will enjoy a turnkey opportunity to begin their adventure in the South Pacific.

With over 800 Lagoon 380's built, this is the world's most successful cruising catamaran to date. The overall size of the 380 covers all bases including simple couple day sailing, extended family cruising and entertaining multiple guests. Few catamarans are able to offer such a useable and practical steering position as the 380 - that is one able to clearly view all four corners of the vessel while being slightly elevated from the cockpit yet having complete uninterrupted contact with guests in the cockpit and even saloon. Two people can comfortably sit at the helm on the double helm seat.

Disclaimer
Our company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents and/or surveyors to investigate such details buyer desires validated. This vessel is offered subject to prior sale, price change or withdrawal without notice.

The sliding door and window seamlessly links the cockpit and saloon. The galley is just where we want it: up, and within reach of both the saloon and cockpit tables. The Lagoon signature vertical windows offer space and protection from the sun.

Ganesha was chosen in the versatile four cabin layout for ultimate flexibility. The upgraded engines, second water tank, water maker, dinghy with outboard, solar panels are just some of the important features we see. Sails include the upgraded square top mainsail, furling genoa plus the furling gennaker.

Instruments by B&G include two plotters, auto-pilot, RADAR and AIS. This is a social catamaran easily handled by two yet with enough room and proven capability to cruise oceans and importantly has been upgraded where it matters. This lagoon 380 would suit new catamaran buyers.

Contact Robert Vrind for further details and to arrange inspection.
