'Happy Hours' is a 2013 Lagoon 380 S2 now for sale with YOTI and currently berthed in Docklands, Melbourne.

Her current owner, an experienced Melbourne-based offshore yachtsman, has invested a significant amount of money in preparing her for a recent safe offshore passage. Since 2020, he has replaced her Raymarine instrument package both in the saloon and at the helm with new Axiom plotters and multi-function displays.

'Happy Hours' was optioned with the composite Bimini from new. In 2023, she had new cockpit covers fitted in charcoal grey with very clever built-in clears added. Her service batteries were also replaced and complemented with a 3000W inverter and upgraded charging system.

Doyle sails fitted a new fully battened main and furling genoa in 2020, and the jib furler was also replaced. A Code 0 on a Karver KF2 furler was also fitted in 2020.

As the three-cabin version, her master cabin is the entire starboard hull with a large double berth aft and a custom mattress. There is storage in the mid-ship area and a large head with a separate shower located in the bow. Her port hull has two spacious cabins at each end and a shared head's compartment with a toilet and shower midships.

'Happy Hours' is a very tidy, late model, and well-specified Lagoon 380 S2 now for sale with YOTI in Melbourne.
