Year	2009	Category	Multihulls
Hull Style	Multi	Hull Type	GRP
Power Type	Sail	Stock Number	Cats Paw
Condition	Used	State	New South Wales
Suburb	PITTWATER	Engine Make	Yanmar 3YM30

**Description**

Built in France in 2009, 'Cats Paw' is a Lagoon 380 S2 located in Sydney and now exclusively for sale with YOTI Multihull.

Specified as an owner's version of the hugely popular Lagoon 380, 'Cats Paw' is in immaculate condition. Powered by 2 x Yanmar diesels and ordered with a full inventory of Raymarine sailing instruments, including AIS and Radar, she is a very capable and well specified Bluewater cruising catamaran.

Until recently the Lagoon 380 was still a current Lagoon model and without doubt the most successful production catamaran ever produced.

Our partners at TMG have published a great story from the owner of 'Cats Paw'. He has had some wonderful adventures and now you can too. Head on over to their blog [here](#).

Please contact YOTI in Sydney for further information and to arrange inspection on 'Cats Paw'

## Features

Designer	VPLP Naval Architects
Builder	Lagoon Catamarans
Water (Potable) Capacity (l)	Rotomoulded tank, 300L
