Description

Price: AUD \$625,000(plus GST if applicable)

2019 Lagoon 40 'Tickety Boo' is now exclusively for sale with YOTI in The Whitsundays.

Proven Cruising Comfort | Charter Income | Private Ownership Opportunity

YOTI is pleased to present the 2019 Lagoon 40 Tickety Boo, a well-presented and maintained cruising catamaran offering the flexibility of continued charter income or private ownership.

Designed by the renowned VPLP Design team, with styling by Patrick le Quément and interiors by Nauta Design, the Lagoon 40 has earned a loyal following for its comfortable living spaces, practical layout and easy handling. Whether you're planning weekends away, extended coastal cruising or setting off on a bluewater adventure, it's easy to see why the Lagoon 40 remains one of the most popular catamarans in its class.

Currently operating within a respected Whitsundays charter fleet, Tickety Boo gives buyers two attractive options. Continue operating the vessel as an established income-producing charter yacht with forward bookings already in place, or, subject to agreement with the charter operator, transition her into private ownership and begin creating your own cruising memories.

The four-cabin layout comfortably accommodates family and friends, while the light-filled saloon, spacious cockpit and seamless connection between indoor and outdoor living create the relaxed lifestyle that catamaran owners enjoy. Wide side decks, excellent visibility from the helm and straightforward sail handling make her equally suitable for experienced sailors and those stepping into larger multihulls for the first time.

Well-equipped for comfortable cruising, Tickety Boo features:

- Twin 29hp Yanmar diesel engines
- Fisher Panda generator
- Dometic air conditioning
- Extensive solar array with Mastervolt inverter system
- 925-litre freshwater capacity plus watermaker
- B&G navigation suite with autopilot and AIS
- Fusion entertainment system
- Electric halyard winch and electric anchor windlass
- Code 0 on furler
- Liferaft and comprehensive safety equipment
- RIB tender with Yamaha outboard
- Teak cockpit and transom platforms

Professionally maintained throughout her charter life, Tickety Boo has benefited from regular servicing and ongoing care, allowing her next owner to step aboard with confidence.

Whether you're looking for a boat that can help offset ownership costs through charter, or you're ready to explore the Whitsundays and beyond in your own time, Tickety Boo offers an appealing combination of comfort, capability
